RIGHT-TO-WORK LEGISLATION:

As you all know, Right-to-Work was passed on February 1st. Thanks for everyone's support in trying to keep this bill from passing. We have a list here at hall of the Republicans that voted "NO" on the Right-to-Work bill. In the upcoming election we need to remember those that voted for the Right-to-Work and vote them out of office so we can start trying to reverse this legislation. So please help in making sure everyone is registered to vote.
