The sponsor must fully comply with the requirements and responsibilities listed below and with the requirements outlined in the document “Requirements for Apprenticeship Sponsors Reference Guide.”

Sponsors shall:

- Ensure adequate and safe equipment and facilities for training and supervision and provide safety training for apprentices on-the-job and in related instruction.
- Ensure there are qualified training personnel and adequate supervision on the job.
- Ensure that all apprentices are under written apprenticeship agreements incorporating, directly or by reference, these Standards and the document “Requirements for Apprenticeship Sponsors,” and that meets the requirements of 29 CFR § 29.7. - Arrange for periodic evaluation of apprentices’ progress in skills and technical knowledge and maintain appropriate progress records.
- Notify the U.S. Department of Labor within 45 days of all suspensions for any reason, reinstatements, extensions, transfers, completions and cancellations with explanation of causes. Notification may be made in RAPIDS or using the contact information in Section K.
- Make a good faith effort to obtain approval for educational assistance for a veteran or other individual eligible under chapters 30 through 36 of title 38, United States Code, and will not deny the application of a qualified candidate who is a veteran or other individual eligible for educational assistance described in the above for the purpose of avoiding making a good faith effort to obtain approval.
- Provide each apprentice with a copy of these Standards, Requirements for Apprenticeship Sponsors Reference Guide, Appendix A, and any applicable written rules and policies, and require apprentices to sign an acknowledgment of their receipt. If the sponsor alters these Standards or any Appendices to reflect changes it has made to the apprenticeship program, the sponsor will obtain

approval of all modifications from the Registration Agency, then provide apprentices a copy of the updated Standards and Appendices and obtain another acknowledgment of their receipt from each apprentice.

- Adhere to Federal, State, and Local Law Requirements -- The Office of Apprenticeship's registration of the apprenticeship program described in these Standards of Apprenticeship on either a nationwide basis (under the National Program Standards of Apprenticeship) or within a particular State, and the registration of individual apprentices under the same program, does not exempt the program sponsor, and/or any employer(s) participating in the program, and/or the individual apprentices registered under the program from abiding by any applicable Federal, State, and local laws or regulations relevant to the occupation covered by these Standards, including those pertaining to occupational licensing requirements and minimum wage and hour requirements.

The program's Standards of Apprenticeship must also conform in all respects with any such applicable Federal, State, and local laws and regulations. Any failure by the program to satisfy this requirement may result in the initiation of deregistration proceedings for reasonable cause by the Office of Apprenticeship under 29 CFR § 29.8.

SELECTION PROCEDURES

The JATC has adopted the following Selection Procedures for its Apprenticeship Program. These procedures shall be uniformly maintained and consistently applied to all individuals interested in the Apprenticeship Program.

A. Application Availability

The JATC accepts applications in the time and manner indicated below.

METHOD A – Year-Round Application

The JATC will make applications available online, year-round 24/7 and/or at the training center Tuesdays from 9:00-11:30 a.m. and 1:00-4:00 p.m.

The JATC will notify the Registration Agency and other appropriate parties (including recognized outreach and affirmative action groups), as indicated in the JATC's EEO/AA Plan, informing them of its year-round application procedure – including the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, how to access apprenticeship applications, and the JATC's EEO/AA policies.

B. Interview Timing

The JATC has discretion to determine how often interviews will be conducted, and this may change during the year based upon industry needs. If a fixed interview schedule is established (e.g., monthly, quarterly, or semi-annually), the JATC will notify the Registration Agency of the dates as part of its semi-annual notice. If the JATC decides to interview on an as needed basis, the Registration agency will be notified of the scheduled interviews a minimum of thirty (30) days prior to the first interview date. C. General Rules Concerning Applications and Record Keeping

1. The JATC will use the Application and any related forms approved by the *electrical training ALLIANCE*.
2. Application forms will be issued and accepted electronically, or in accordance with the procedure adopted by the JATC indicated in Application Availability Section.
3. Everyone expressing an interest in making application with the JATC will be provided access to and/or issued an application form during the application period. The application must be designed so no one will be denied a right to apply, even if there is a question about their ability to meet minimum qualifications.
4. The JATC shall provide reasonable accommodations during the application process to individuals with disabilities who request them. The JATC's procedures for requests for accommodation are contained in its Rules and Policies.
5. An Application Record will be maintained by the JATC to show the status of each applicant.

7. All application forms and all related information and documents pertaining to applicants, including all correspondence sent to applicants by mail or electronically, are the property of the JATC and shall be considered confidential proprietary information. Records shall be maintained as required by the Registration Agency and by law.

D. Qualifications for Applicants

The various methods under which an applicant may qualify for entry into the ranked pool, Direct Interview or Direct Entry are detailed in the Standards. These must be summarized in the Notice of Apprenticeship Opportunity.

E. Application Process

1. Application.

- a. A written description of the basic requirements shall be included in the Notice of Apprenticeship Opportunity, must be posted *electronically* and must be available at the JATC office.
- b. The JATC shall collect and maintain information on individuals requesting access to applications. The JATC may establish procedures to follow-up with those expressing interest as part of its recruitment efforts.
- c. The applicant will be provided electronic access or in paper format to an application and the voluntary self-identification forms. Applicants must submit the application; resumes or similar documents will not be accepted in lieu of the application.
- d. As each application is received, the JATC shall ensure that it receives a unique serial number for that applicant. The applicant's name, date of the application, and serial number of the application will then be included in the Application Record.

2. Information to be Provided to and Received from Applicants.

The following information must be provided to each applicant either online or within a reasonable time of not more than ten (10) days after the Application is received. If permitted by the Registration Agency, this information may be provided in paper or electronic formats, and transmitted to applicants in person, mail, by electronic means and/or by a link to the JATC's website or another online site.

- a. A list of the Basic Qualifications required to enter the pool of eligible applicants (see Standards).
- b. A copy of the Standards (including Appendix A), and the JATC's Rules and Policies.
- c. Specific information pertaining to the apprenticeship program, noting the geographical area of the jurisdiction, the periods of apprenticeship and the wages provided for each period. The applicant's attention will also be called to the work processes in the Standards and the apprentice's obligations and requirements to participate in, and complete, related instruction. The JATC may, but is not required to, highlight any other key requirements from the JATC's Rules and Policies.
- d. A list of things the applicant must do, and items they must provide, in order to qualify for an interview with the JATC. This document will inform the applicant if they are required to take the Aptitude Test to qualify for the interview, and that qualified applicants are interviewed in the order in which they complete their application by provide all required documents and transcripts.
- e. A list of information they may have to provide as part of the application process, and post-selection requirements that they will have to meet if they are selected from the list or through Direct Entry and are given a conditional offer, as provided in the Standards. This information will be available for review when getting access to an application, and again when invited to the interview.
- f. Applicants will be informed that they have 45 days to provide all transcripts, and any other documentation required by the JATC for their application to be complete.

- g. Applicants will be informed of optional information that they are permitted to provide and information that the JATC will or may obtain and use. This list will be available for review when getting access to an application, and again when invited to the interview.
- h. If the applicant indicates on the application a prior felony conviction, the JATC may choose to request that additional information be provided prior to the interview or may choose to wait until after a conditional offer is made.

F. Processing Applications.

As applicant information is received, the JATC will record dates and other pertinent information in the Application Record. When all information and documentation is complete, the date of receipt of the last required information will be recorded in the Application Record in the completion column.

If an applicant fails to provide all required documentation by the cut-off date, the column indicated "Application Not Completed" will be checked in the Application Record.

G. Testing and Interview Process

1. Aptitude Test

The JATC will schedule all qualified applicants (other than those entitled to Direct Interview or Direct Entry) for a properly validated aptitude test required by the JATC and approved by the *electrical training ALLIANCE*, with a passing score as a minimum qualification, and to be eligible for interview. The applicant will be notified in writing as to the time, place, and date they are to complete the aptitude test. The applicant's aptitude test results will be entered into the Application Record. Aptitude Test scores will not be shared with the interview committee. The Aptitude Test scores should not be shared with the applicant, only pass/fail.

2. Interviews

After all transcripts, materials, and aptitude test results are received, the JATC will review the documents to determine if the applicant meets minimum qualifications outlined in the Standards and is eligible for an interview. If the applicant does not meet minimum qualifications, the applicant will be so notified. The Application Record will note that the applicant was "Not Qualified for Apprenticeship" and the date the letter was sent.

The JATC will schedule interviews as indicated in B, Interview Timing. The JATC will interview all applicants who qualify for an interview and report for the interview as scheduled. The applicants will be interviewed in order based upon the date and time their application process was complete.

The list of applicants to be interviewed may be broken into smaller groups if more than one interview session is to be scheduled. Interview sessions will be scheduled to allow for the interviewing of all applicants who qualify for an interview.

Interviews will be conducted in accordance with the interview forms and procedures developed by the *electrical training ALLIANCE*. Applicants will be rated after the interview based upon the non-discriminatory criteria in the procedures and forms.

Unless an applicant is referred to the JATC due to potential disqualifying factor upon completing all scheduled interview sessions, all interviewed applicants will be notified that they shall remain on the active list, subject to selection, for a period of one (1) year from the date of their interview. This notification shall indicate that on the anniversary date, their eligibility shall expire.

H. Ranking and Selection

1. After the members of the interview committee complete their evaluation of an applicant, the scores will be averaged in accordance with the procedures and forms developed by the *electrical training ALLIANCE*. The applicant will be included on the ranked list based upon that rating.
2. The JATC will place all individuals currently active on the list in ranked order. The ranked list will identify each individual's: rank, name, application number, date of interview, score to two decimal places, and eligibility expiration date. A current copy of the complete ranked list will be filed with the Registration Agency prior to selection and registration to any individual entering the apprenticeship program through the standard selection process.
3. When new interviews are scheduled and completed, or other selection procedures are completed, the JATC will add those applicants to its existing ranked list of applicants. Whenever a new ranking list is created, a copy will be provided to the Registration Agency.
4. The number of new apprentices to be selected, at any time, will be determined by the JATC, based on industry needs and the JATC's ability to provide training.
5. Selection of individuals from the list of interviewed applicants will not be done until all pre-scheduled interview sessions or other selection procedures are completed. The Registration Agency shall be promptly notified of all individuals entering the apprenticeship program through any means of entry.
6. The actual selection of individuals will be made by using the current ranked list, starting with the top score, and continuing on, in descending order, until the desired number of accepted applicants has been reached. The only individuals who may be registered ahead of those on the current ranked list are those entering through approved direct entry methods, including transfer, and organizing procedures. Selection from the current ranked list must be the highest on the list; the JATC cannot skip over individuals.
7. All selected applicants will be notified in writing (mail or email) of the JATC's offer of apprenticeship. The offer will be conditioned on completion of any required post-selection steps set out in the Standards and will note which conditions apply.
8. Once applicants are interviewed and placed on the ranked list, they shall remain active and subject to selection, for a period of one (1) calendar year from the date of interview or completion of other selection procedures, unless they decline an offer, request to be removed from the list, fail to meet post-selection requirements, or they are approved for a re-interview.
9. Applicants will be deemed to have requested to be removed from the ranked list and/or declined an offer if they (i) fail to notify the JATC of changes in contact information; or (ii) fail to promptly respond to communications from the JATC, including offers.
10. All selected applicants (including direct entry) must provide any remaining documentation required to complete their applications process and satisfy all post-selection requirements in the Standards.

I. Post-Selection Requirements.

All selected applicants (including those admitted through direct entry) must meet the following minimum requirements at the time indicated in these Selection Procedures, typically after a conditional offer is made and prior to registration.

- Provide any remaining documentation required to complete the selection process.
- Not be disqualified as a result of information obtained by the JATC during the selection process, including interviews, verification of information, reference checks or other information made available to the JATC prior to registration.

- Pass all required drug-screen tests. The cost of the tests is borne by the JATC. If the applicant fails any pre-registration drug test, refuses to take any pre-registration drug test, or has insufficient hair or urine for any pre-registered drug test, each of which constitutes a failed pre-registered drug test, the conditional offer will be revoked.
- Attend and successfully complete the JATC's Boot Camp/Orientation. Applicants will not be paid for the time they attend this program. The JATC's conditional offer may be rescinded if the applicant demonstrates in any way that he or she is unlikely to be successful in the apprenticeship program, (e.g., inability to learn or employ appropriate safety skills, poor attendance or tardiness, or failing to demonstrate the physical abilities required).
- Pass a background check.
 - a. Prior to selection for apprenticeship, the JATC shall undertake a background check of the applicant. The cost of the background check will be paid for by the JATC. Disclosure under the Fair Credit Reporting Act will be provided to the applicant of the JATC's intention to obtain a background check from a third-party for employment purposes and the applicant's consent in writing will be obtained to perform the background check.
 - b. In the event the JATC intends to use the results of the background check to disqualify or expel an applicant as a result of information disclosed by the background check, the JATC will provide the applicant (in writing) of their rights under the Fair Credit Report Act and provide the applicant the opportunity to dispute the accuracy or completeness of the information reported to the JATC.

J. Disqualification

Prior to, during or after the interview, and prior to registration, the JATC may learn of information that may disqualify the applicant or render them unable to meet the requirements of the program. The JATC or its designee shall discuss those issues with the applicant, provide the applicant with an opportunity to explain and, where appropriate, obtain relevant documentation. If the applicant does not voluntarily withdraw his or her application, the applicant may be referred to the JATC for a decision on whether the applicant should be disqualified and not placed on the active list or should be removed from the list.

K. Re-Evaluation Process

If after a minimum of ninety (90) days from the date of their most recent interview with the JATC, an applicant has gained at least 450 hours of documented work experience in the electrical construction industry or has successfully completed two (2) or more post-secondary, industry-related classes, the applicant is eligible to make a request to be re-interviewed by the JATC by completing the JATC's Re-Interview Request Form. Examples of related classes include Algebra I and II, Geometry, Trigonometry, Advanced Math, Physical Sciences, Physics, Chemistry, Industrial Arts, Mechanical Drawing/Drafting, Computer Literacy/Programming, or Related Vocational/Technical Courses.

The JATC is not obligated to grant a re-interview to an applicant where the factors on which the score was based would not be affected by additional experience or education. The JATC will respond to the request in a timely manner.

L. Applicant Appeals Procedure

Any applicant for apprenticeship who believes that he or she has been subjected to discrimination or other unfair treatment during the selection process on the basis of any protected category may file a complaint of discrimination using the JATC's internal Complaint Procedure set out below or Appendix F.

Advancement Of Apprentices, Cancellation, Complaint Procedures

A. Advancement of Apprentices

1. Every two months during the first year of apprenticeship, and at least yearly thereafter, the JATC shall examine the progress of the apprentice on the job and in related instruction, based on apprenticeship evaluation completed by an Employer and other available information. The JATC will also receive a monthly OJT training report from each Employer showing the experience and training in the various work processes acquired by the apprentice and evaluating the apprentice.
2. The JATC shall evaluate the apprentice's overall performance and accomplishments at the end of each period. Action must be taken on each apprentice to approve advancement, extend present rating for a specified probationary period, or cancel the apprenticeship agreement, with due notice to the apprentice and a reasonable opportunity for corrective action. Proper documentation shall be maintained of all action taken by the JATC.

B. Cancellation or Resignation of Apprenticeship Agreement

1. An Apprenticeship Agreement may be canceled at the request of the apprentice at any time.
2. An Apprenticeship Agreement may be suspended for a specified period of time, canceled or terminated by the JATC for good cause, with due notice to the apprentice and, in appropriate circumstances, a reasonable opportunity for corrective action. Written notice shall be provided to the apprentice and to the Registration Agency (if required).
3. Individuals who have been suspended or terminated from apprenticeship shall not be assigned by the JATC in any capacity. Suspended or terminated apprentices are not eligible to participate in any related training activities and, as per the CBA, they are not eligible for any job assignments by the JATC under the CBA unless the JATC has determined that the individual is eligible for a change to another classification recognized in the CBA.
4. When an apprentice's Apprenticeship Agreement is terminated before satisfactory completion of their apprenticeship, the resulting vacancy may be filled by selecting and registering the next individual from the current eligibility list; provided all registered apprentices who are available for OJT assignments are so assigned. In the event that related instructional training classes are not available in the immediate future, the individual(s) registered shall begin informational/awareness classes just as soon as possible. These courses may include topics such as Industry Awareness, Communications, Productivity, Marketing, CPR, Tech Math, Safety Awareness and General Orientation

C. Complaint Procedures

1. The JATC shall have full authority and responsibility to review and shall seek to resolve all issues and/or disputes pertaining to all apprenticeship and training matters. The JATC shall hear and consider all complaints of violations concerning the Apprenticeship Agreement and the Standards, and shall make such rulings, as it deems necessary and appropriate in its discretion. Apprentices have the right to request an appearance before the JATC concerning specific issues or matters dealing with their apprenticeship agreement. Such requests must be in writing. The JATC shall adopt a formal Complaint Procedure as part of its Rules and Policies. Apprentices and applicants have no right to representation by an attorney or others during JATC investigations and meetings, unless otherwise provided in the Rules and Policies.
2. Any apprentice or applicant for apprenticeship who believes they have been subject to discrimination in violation of the EEO Policies and Procedures, or federal, state, or local law has the right to file an internal complaint with the JATC and rights to file external complaints with the U.S. Department of Labor, EEOC and/or applicable state or local agencies. See EEO Policies and Procedures, Appendix F.

3. All applicants and apprentices have the right to file complaints regarding any issue with the Registration Agency. Applicants and apprentices will be provided with a copy of the Notice of Rights. See Appendix F.
4. All apprentices have the right to seek resolution through the applicable Grievance and Arbitration Articles of the CBA for issues arising on the job: wages, hours, working conditions, and other issues covered by the CBA. Apprentices should first provide notice to the JATC.
5. A Local Union receiving a grievance from or about an apprentice shall notify and involve the JATC, which has the primary responsibility for apprentices under Article V of the Standard Inside Agreement.

Certification of Completion

Upon satisfactory completion of the required number of hours of related instruction from the *electrical training ALLIANCE*'s course of study and accumulation of a minimum of 8,000 hours of OJT, the JATC will certify to the sponsoring parties, to the *electrical training ALLIANCE*, and to the Registration Agency that the apprentice has satisfied the requirements of his or her apprenticeship agreement.

Appendix A-2

Work Process

The JATC shall require each apprentice to submit a work report on a monthly basis. Such reports shall be maintained by the JATC as part of its official file for each apprentice. The JATC shall use reports and other evaluations and records the JATC may use to provide an accumulative OJT record of experience in the various work processes for each apprentice.

All OJT work shall be performed under the supervision of an electrical industry Journeyworker Supervision will not be of such nature as to prevent the development of responsibility and initiative. Work may be laid out by an Employer's designated supervisor based on the apprentice's skills and ability to perform the job tasks, after which the apprentice shall be permitted to perform job tasks in order to develop job skills and industry competencies.

Apprentices with a minimum of 6,500 hours of OJT who have successfully completed all related instruction, may be permitted to perform electrical construction work without the direct supervision of an electrical industry Journeyworker as follows: while the apprentice's supervising Journeyworker must be present on the job site, and the apprentice should not be the first worker assigned to the job, such apprentice may be assigned to independently perform job tasks at the job site consistent with the apprentice's skills, knowledge and ability to perform the work as determined by the Employer.

An apprentice shall not supervise the work of any other apprentice or workers of any other classification.

Hours of Work; Assignments

The apprentice shall work the hours that are specified in the local CBA or such hours that are set by an Employer consistent with the CBA. The current hours of work shall be included in the Rules and Policies. The apprentice's work shall not interfere with attending related instructional classes.

The JATC shall maintain a standard procedure for assignment of apprentices and endeavor to ensure continuous employment for all apprentices, and adequate training and experience in all work processes as described above. The JATC shall make all OJT assignments and reassignments consistent with the CBA. In order to achieve these objectives an apprentice may be transferred or reassigned to another participating employer as determined by the JATC in its discretion.

In the event that the JATC is unable to provide an eligible apprentice with an OJT assignment, apprentices may seek temporary employment outside of the electrical construction industry. Regardless of employment status, apprentices must continue to report for their regularly scheduled related instructional classes. Apprentices shall remain at all times subject to immediate call by the JATC for an OJT assignment given by the JATC. Under no circumstances shall a participating employer be denied the assignment of an apprentice due to an apprentice temporarily working outside the CBA. Failure to immediately comply with instructions to return to the JATC for an OJT assignment may result in cancellation of the apprentice's apprenticeship agreement.

The JATC may assist apprentices in seeking temporary employment by providing access to resources, establishing connections with local employers or other methods.

Temporary Training Opportunities

Apprentices may be permitted to receive OJT and related training on a temporary basis with another IBEW/NECA JATC, provided that the apprentice, both of the JATCs, and their respective Local Unions and Local Chapters agree on such assignment. Before apprentices are given a temporary OJT assignment, they must supply the host JATC with an official copy of their apprenticeship agreement, clearly indicating that it has been properly registered with the applicable Registration Agency. Apprentices shall remain subject to reassignment

by the JATC with whom they are registered. Failure to immediately comply with such instruction to return to the JATC with whom they are registered may result in the cancellation of the apprentice's apprenticeship agreement; in which case, the apprentice would no longer be employable as an apprentice under the CBA in any jurisdiction.

Related Instruction

The time spent in related instruction, which may include blended learning and computer-mediated learning, shall be in addition to the required minimum hours of OJT. The computer-mediated learning model will allow the apprentice to learn at their own pace with experiential learning styles such as gaming, and knowledge checks before moving on to the next section to ensure competence. The minimum number of related instruction hours per year may change from time to time in order to meet training needs. Such changes must be properly approved by the Registration Agency.

The JATC shall secure competent Instructors whose knowledge, experience, and ability to teach shall be carefully examined and monitored. These instructors will also be competent with hands-on labs to allow the apprentices to become sufficient. The instructors shall take the teacher training courses made available from the *electrical training ALLIANCE* (or state-required equivalent) through attendance, participation, and working towards completion of the Industry's Four-Year National Training Institute Teacher-Training program.

The JATC shall secure the instructional aids and equipment it deems necessary to provide quality instruction.

The instructors shall administer or oversee *electrical training ALLIANCE* standardized tests in a timely manner. Such tests shall be evaluated, scored, and reviewed with the class. If tests are not administered electronically, the instructor shall ensure that all tests and materials are collected and provided to the JATC.

The JATC shall monitor the apprentice's performance in related training and take appropriate action to encourage improvement where warranted. JATCs will require performance reports to be filed on a regular basis by each Instructor, evaluating the apprentice's related instructional training performance. Such reports shall be maintained by the JATC as part of its official file for each apprentice, providing an accumulative record of performance in related training.

The JATC shall inform each graduating apprentice of the availability of college credit through the *electrical training ALLIANCE*'s College Credit Program with the American Council on Education ("ACE"), and any Continuing Education Units ("CEUs") that may be available.

Certain related instruction may be provided online, rather than in a traditional classroom or laboratory setting. If an apprentice is required to attend related instruction online, the apprentice must have access to the Internet via a computer and must complete all online assignments and the total required hours of each session in the allotted amount of time. The computer will not be provided by the apprenticeship program and the Internet access fees will not be paid by the apprenticeship program.

Safety and Health Training

The Employers are responsible for instructing apprentices in safe and healthful work practices and shall ensure that the apprentice is trained in facilities and other environments that are in compliance with either the Occupational Safety and Health Act standards promulgated by DOL or State or local standards that have been found to be at least as effective as the Federal standards.

The JATC shall see that all apprentices complete CPR/First Aid training during their probationary period. The JATC shall also attempt to see that graduates of its apprenticeship program possess a current CPR/First Aid card. NOTE: This training requires additional classroom hours.

The JATC shall see that each apprentice successfully completes the electrical training ALLIANCE, OSHA approved, Ten-Hour Construction Safety course, before beginning the Second Year of related instructional training. NOTE: This training requires additional classroom hours.

Methods of Entry

Every individual selected for apprenticeship shall come from the pool of qualified applicants on the ranked list, unless otherwise qualifying for Direct Interview or Direct Entry. No applicant shall be excluded from consideration because they fail to meet qualifications for Direct Interview or Direct Entry; they must be considered under the standard method of entry.

Application. Every applicant must fill out an application form, either in paper format or electronically; accurately; and completely responding to all questions and items listed in the application.

Direct Interview Qualification.

Except as described below, the applicants described below will not be required to obtain a qualifying score on the Aptitude Test or meet the requirements of High School diploma or GED, or Algebra. If they meet all other minimum qualifications listed in the Registered Apprenticeship Standards, and the requirements below, they will be invited to an interview. - b. 4,000 Hours. Applicants who can verify that they have worked a minimum of 4,000 hours specifically in the commercial construction industry. These individuals may also qualify for direct entry. An absolute minimum of 4,000 hours of electrical work experience must be proven to meet this qualification. No other form of electronic or electrical experience/training or construction experience will be given credit under this provision.

- c. Individuals applying under these two Industry Experience methods must provide to the JATC sufficient documentation, satisfactory to the JATC, to demonstrate their experience in the electrical construction industry. This documentation may be comprised of official documents such as tax/payroll records, or notarized letters of experience from prior employers.

 - iv. shall allow the JATC to work with the school to encourage participating school systems to include in their academic curriculum: A basic Computer Course and Mechanical Drawing, or Computer-Aided Design. The JATC may determine that participants must complete the First Year of industry-related classroom training (*electrical training ALLIANCE Curriculum*), specific *electrical training ALLIANCE* courses or industry orientation-related seminars, or classes. These classes and seminars shall be taught by the JATC. The *electrical training ALLIANCE* course materials may be presented during the evening hours.
 - v. may permit the scheduling of alternating weeks of academic study and OJT experience, as determined by the JATC, and agreed to by the participating school(s).
 - vi. shall mandate that failure to successfully complete academic studies (high school and JATC) shall be just cause for termination from the program.
 - vii. shall mandate that failure to demonstrate progress in safely and proficiently accomplishing work practices shall be just cause for termination.

X 5) Job Corps.

- a. Applicants who completed a Job Corps training program in electrical construction within two (2) years prior to application, and who obtain a qualifying score on the Aptitude Test.

□ 6) Pre-Apprenticeship Programs.

- a. Individuals who can verify that they have completed a structured pre-apprenticeship training program meeting minimum requirements recognized by the JATC, and sponsored by community outreach groups, the IBEW or NECA, the Local, State, Regional or National Building Trades programs, or by the JATC. *These individuals may also qualify for direct entry.*

Applicants who meet unique industry needs or requirements, and who obtain a qualifying score on the Aptitude Test, will qualify for direct interview by the JATC as soon as possible after application submission and may qualify for direct entry. To qualify under this method, applicants must either:

- i. Be in categories for which signatory contractors are required to recruit and hire under project labor agreements (“PLAs”), project stabilization agreements (“PSAs”), and/or other federal, state, or local government contracts or agreements, provided that those categories are not defined by Protected Characteristics as defined in the JATC’s EEO/AA Plan (e.g., requirements for veterans, local residents, or disadvantaged workers as defined by income or other factors than the Protected Characteristics); or
- ii. Be located in a geographic area for which there is a high demand that cannot be reasonably served with a sufficient number of apprentices because of the excessive travel distances.

Direct Entry Qualification.

Applicants who meet the following qualifications will be offered direct entry into the Apprenticeship Program, with certain requirements waived and without being placed on or selected from the ranked list of qualified applicants. These individuals must still meet all post-selection requirements, unless expressly exempted.

- 1) New Signatory Employer. An electrical construction employee of a non-signatory employer not qualifying as a Journeyworker when the employer becomes a signatory shall be evaluated by the JATC, using consistent, standard, non-discriminatory means and registered at the appropriate period of apprenticeship based on previous work experience and related training.
 - a. Such applicants must:
 - i. Provide official, undisputable documentation to show that they were an employee performing electrical construction work prior to and at the time the employer becomes signatory.
 - ii. Supply the JATC with required reliable documentation and adequate verification to substantiate previous employment and experience to warrant their registration.
 - iii.  - iv. Be capable of completing all requirements of the apprenticeship program and performing the work required of an electrical worker, with or without reasonable accommodations, including being able and willing to: Safely perform or learn to safely perform the essential functions of the job; Get to and from work at job sites anywhere within the geographical jurisdiction of this Apprenticeship Program. Attend and successfully pass all related instruction; Understand and follow all JATC Rules and Policies; Read, hear, speak, and understand instructions and warnings in English.
- 2) 30% Cards. An individual who signs an authorization card during an organizing effort, where 30% or more of the employees have signed authorization cards, whether or not the employer becomes signatory, and is an employee of the non-signatory electrical contractor and does not qualify as a Journeyworker,

shall be evaluated by the JATC, using consistent, standard, non-discriminatory means and registered at the appropriate period of apprenticeship based on previous work experience and related training.

- a. All employees of the non-signatory electrical contractor must have been offered the opportunity to sign authorization cards.
 - b. For such applicants to be considered, they must:
 - i. Have previous work experience (with non-participating employer(s)) that warrants some OJT credit, based on the provisions of these Standards, provide reliable documentation and adequate verification (which shall be recorded and securely filed in the applicant's file) to substantiate previous employment and experience, in order to qualify for direct entry under this provision.
 - ii. Provide official documentation to show length of employment with present electrical employer and all other previous electrical employers.
 - iii. Meet the physical requirement to climb and work from ladders, scaffolds, poles, and towers of various heights, push, pull, crawl, crouch, and work in confined spaces such as attics, manholes, and crawlspaces, lift 25–50-pound objects on a fairly consistent schedule, and use various hand and power-assisted tools to install conduit, wiring, fixtures, devices, and electrical apparatus within commercial, industrial, and residential buildings.

- a. The apprentice must submit a written request for transfer, describing in detail the needs and reasons upon which the request is based.
 - b. The apprentice's sponsoring JATC must agree to the transfer, acting on behalf of the official program sponsors for the IBEW and NECA. The sponsoring JATC must not unreasonably withhold such agreement.
 - c. The receiving JATC must agree to accept the transfer, acting on behalf of the official program sponsors for the IBEW and NECA. The receiving JATC must not unreasonably withhold such acceptance.
 - d. The receiving JATC shall have complete access to all apprenticeship records pertaining to the transferring apprentice.
 - e. The transferring apprentice must:
 - i. Complete an Application.
 - ii. Provide to the JATC official documentation pertaining to their participation in the apprenticeship program they are transferring from. An official copy of all records established with the sponsoring JATC (including a copy of the application form and the apprenticeship agreement – properly registered with the Registration Agency) and other information submitted shall be provided to the receiving JATC.

iii. The receiving JATC will examine all documentation submitted before granting permission to transfer. All such records shall become part of the receiving JATC's permanent files.

- g. Upon being accepted by the receiving JATC, have their existing apprenticeship agreement terminated and have registration proceedings initiated immediately by the receiving JATC and the appropriate Registration Agency. The Registration Agency will be provided with all documentation necessary and/or required to verify that the transfer is justifiable.
- h. The apprentice will receive full credit for probationary time previously served. No plan assets will be transferred between the plans to cover the cost of the apprentice's education.

4) Other Means.

- a. Individuals who qualify under two years military electrical experience, 4,000 hours, Interim Credential, or industry needs, may qualify for direct entry, after interview based upon standard, non-discriminatory evaluation factors (e.g., top 50% of class ranking for those with Interim Credentials, a defined cut-off or pass/fail score on knowledge-based tests or skills-based tests or other exams, or a pass/fail interview).
- b. The JATC may, in its discretion, determine that due to industry needs, individuals in one or more categories will be offered direct entry rather than direct interview for a period of time.
- c. Decisions to permit direct entry under these options, and for what period of time, should be recorded in the Minutes of the Committee and publicized through the Notice of Apprenticeship Opportunity, prior to each period of application and interviews.
- d. A decision to permit direct entry instead of direct interview must be made before or promptly after an interview before interviewees are placed on the ranked list. Once an applicant is placed on the ranked list, their status cannot be changed to Direct Entry.

Credit for On-the-Job Skill Acquisition and Previous Related Training

Every applicant who qualifies for Direct Interview or Direct Entry, and who is subsequently registered, will be evaluated by the JATC to determine, using standard means of evaluation, if OJT and/or related instruction credit will be awarded for previous training and experience.

Qualified applicants interviewed and selected for apprenticeship under these Standards who have previously completed another IBEW/NECA apprenticeship will be awarded a minimum of three thousand, five hundred (3,500) hours of OJT credit. Such individuals will be properly evaluated by the JATC and placed in the appropriate year of related training.

Qualified applicants selected for registration who have the electrical training ALLIANCE Interim Credential shall be provided credit for the courses completed within the Interim Credentials, if the Interim Credential was received within three (3) years of the date of registration.

Other applicants selected for registration who have previous knowledge and skill acquisition in the electrical construction industry can ask for and have such work and job experience evaluated by the JATC prior to signing an Apprenticeship Agreement. The apprentice cannot request an evaluation of past experience after signing.

Where such experience warrants, the JATC will place the apprentice in the appropriate period with the commensurate wages as determined by the JATC. The JATC will use consistent and equal ways and means for measuring and evaluating individuals to determine how much credit to award, for both OJT and related training. Hours of OJT credit awarded and related instruction placement level are independent of one another. Those awarded OJT credit and assigned to the appropriate pay period classification may be given additional time to successfully complete related instructional requirements.

Advance standing is subject to review throughout the probationary period. During this time, OJT and classroom performance will be evaluated to determine if any readjustment concerning OJT or related training status is warranted, including reevaluation and reassignment of apprenticeship period and level of related instruction, as the JATC determines.

The JATC permits individuals with previous education and training to test out of related courses. It has developed a nondiscriminatory policy adopting uniform written and proficiency-type examinations to be used in determining whether or not to award credit and waive specific course(s), or areas(s) of training.

The Apprenticeship Agreement

Before being employed as an apprentice or enrolled in related instruction classes, the selected applicant must sign an Apprenticeship Agreement with the JATC. The Apprenticeship Agreement will be submitted to the Registration Agency for approval if required. The Standards and the JATC's Rules and Policies (as they may be amended) shall be considered a part of the Apprenticeship Agreement.

Prior to signing the Apprenticeship Agreement, each selected applicant shall be given an opportunity to read and review the Standards, the JATC's Rules and Policies, the Apprenticeship Agreement and the sections of the CBA that pertains to apprenticeship. Selected applicants shall sign an acknowledgement that they have reviewed the documents and are willing to abide by them.

The JATC and the Apprentice shall sign the Apprenticeship Agreement, and each receive a signed copy. The JATC shall follow the procedures of the Registration Agency regarding the submission of the Apprenticeship Agreement (e.g. through RAPIDS for DOL states, number of signed originals).

Selection and Placement

Selection and placement of all Applicants not eligible for Direct Entry will be done under the Selection Procedures.

Apprentices who enter the traditional time-based program may be offered the opportunity to transition into the Hybrid apprenticeship program provided the transition is authorized and approved by the JATC. Apprentices who enter the Hybrid apprenticeship program may be offered the opportunity by the JATC to transition to the traditional time-based program provided the transition is authorized and approved by the JATC. Apprentices who transition must complete all of the related instruction and hour requirements for the program.

SELECTION PROCEDURES

Selection and Placement

Selection and placement of all Applicants not eligible for Direct Entry will be done under the Selection Procedures as stated below.

The JATC has adopted the following Selection Procedures for its Apprenticeship Program. These procedures shall be uniformly maintained and consistently applied to all individuals interested in the Apprenticeship Program.

A. Application Availability

The JATC accepts applications in the time and manner indicated below.

METHOD A – Year-Round Application

The JATC will make applications available at the training center Tuesdays, 9:00-11:30 a.m. and 1:00-4:00 p.m.

The JATC will notify the Registration Agency and other appropriate parties (including recognized outreach and affirmative action groups), as indicated in the JATC's EEO/AA Plan, informing them of its year-round application procedure – including the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, how to access apprenticeship applications, and the JATC's EEO/AA policies.

B. Interview Timing

The JATC has discretion to determine how often interviews will be conducted, and this may change during the year based upon industry needs. If a fixed interview schedule is established (e.g., monthly, quarterly, or semi-annually), the JATC will notify the Registration Agency of the dates as part of its semi-annual notice. If the JATC decides to interview on an as needed basis, the Registration agency will be notified of the scheduled interviews a minimum of thirty (30) days prior to the first interview date. Interviews shall be conducted in accordance with the notification supplied to the Registration Agency.

The JATC will interview on the following basis: Annually

C. General Rules Concerning Applications and Record Keeping

1. The JATC will use the Application and any related forms approved by the *electrical training ALLIANCE*.
2. Application forms will be issued and accepted electronically, or in accordance with the procedure adopted by the JATC indicated in Application Availability Section.
3. Everyone expressing an interest in making application with the JATC will be provided access to and/or issued an application form during the application period. The application must conform so no one will be denied a right to apply, even if there is a question about their ability to meet minimum qualifications.
4. The JATC shall provide reasonable accommodations during the application process to individuals with disabilities who request them. The JATC's procedures for requests for accommodation are contained in its Rules and Policies.
5. An Application Record will be maintained by the JATC to show the status of each applicant.

6. No member of the JATC, or any employee of the JATC, shall reveal or discuss any information pertaining to any applicant except during the applicable meetings of the JATC or to members of the JATC staff involved in the application process.
7. All application forms and all related information and documents pertaining to applicants, including all correspondence sent to applicants by mail or electronically, are the property of the JATC and shall be considered confidential proprietary information. Records shall be maintained as required by the Registration Agency and by law.

D. Qualifications for Applicants

The various methods under which an applicant may qualify for entry into the ranked pool, Direct Interview or Direct Entry are detailed in the Standards. These must be summarized in the Notice of Apprenticeship Opportunity.

E. Application Process

1. Application.

- a. A written description of the basic requirements shall be included in the Notice of Apprenticeship Opportunity, must be posted electronically and must be available at the JATC office.
- b. The JATC shall collect and maintain information on individuals requesting access to applications. The JATC may establish procedures to follow-up with those expressing interest as part of its recruitment efforts.
- c. The applicant will be provided electronic access or in paper format to an application and the voluntary self-identification forms. Applicants must submit the application; resumes or similar documents will not be accepted in lieu of the application.
- d. As each application is received, the JATC shall ensure that it receives a unique serial number for that applicant. The applicant's name, date of the application, and serial number of the application will then be included in the Application Record.

2. Information to be Provided to and Received from Applicants.

The following information must be provided to each applicant either online or within a reasonable time of not more than ten (10) days after the Application is received. If permitted by the Registration Agency, this information may be provided in paper or electronic formats, and transmitted to applicants in person, mail, by electronic means and/or by a link to the JATC's website or another online site.

- a. A list of the Basic Qualifications required to enter the pool of eligible applicants (see Standards).
- b. A copy of the Standards (including Appendix A), and the JATC's Rules and Policies.
- c. Specific information pertaining to the apprenticeship program, noting the geographical area of the jurisdiction, the periods of apprenticeship and the wages provided for each period. The applicant's attention will also be called to the work processes in the Standards and the apprentice's obligations and requirements to participate in, and complete, related instruction. The JATC may, but is not required to, highlight any other key requirements from the JATC's Rules and Policies.
- d. A list of things the applicant must do, and items they must provide, in order to qualify for an interview with the JATC. This document will inform the applicant if they are required to take the Aptitude Test to qualify for the interview, and that qualified applicants are

interviewed in the order in which they complete their application by provide all required documents and transcripts.

- e. A list of information they may have to provide as part of the application process, and post-selection requirements that they will have to meet if they are selected from the list or through Direct Entry and are given a conditional offer, as provided in the Standards. This information will be available for review when getting access to an application, and again when invited to the interview.
- f. Applicants will be informed that they have 45 days to provide all transcripts, and any other documentation required by the JATC for their application to be complete.
- g. Applicants will be informed of optional information that they are permitted to provide and information that the JATC will or may obtain and use. This list will be available for review when getting access to an application, and again when invited to the interview.
- h. If the applicant indicates on the application a prior felony conviction, the JATC may choose to request that additional information be provided prior to the interview or may choose to wait until after a conditional offer is made.

F. Processing Applications.

As applicant information is received, the JATC will record dates and other pertinent information in the Application Record. When all information and documentation is complete, the date of receipt of the last required information will be recorded in the Application Record in the completion column.

If an applicant fails to provide all required documentation by the cut-off date, the column indicated "Application Not Completed" will be checked in the Application Record.

G. Testing and Interview Process

1. Aptitude Test

The JATC will schedule all qualified applicants (other than those entitled to Direct Interview or Direct Entry) for a properly validated aptitude test required by the JATC and approved by the *electrical training ALLIANCE* with a passing score as a minimum qualification, and to be eligible for interview. The applicant will be notified in writing as to the time, place, and date they are to complete the aptitude test. The applicant's aptitude test results will be entered into the Application Record. Aptitude Test scores will not be shared with the interview committee. The Aptitude Test scores should not be shared with the applicant, only pass/fail.

2. Interviews

After all transcripts, materials, and aptitude test results are received, the JATC will review the documents to determine if the applicant meets minimum qualifications outlined in the Standards and is eligible for an interview. If the applicant does not meet minimum qualifications, the applicant will be so notified. The Application Record will note that the applicant was "Not Qualified for Apprenticeship" and the date the letter was sent.

The JATC will schedule interviews as indicated in B. Interview Timing. The JATC will interview all applicants who qualify for an interview and report for the interview as scheduled. The applicants will be interviewed in order based upon the date and time their application process was complete.

The list of applicants to be interviewed may be broken into smaller groups if more than one interview session is to be scheduled. Interview sessions will be scheduled to allow for the

interviewing of all applicants who qualify for an interview.

Interviews will be conducted in accordance with the interview forms and procedures developed by the *electrical training ALLIANCE*. Applicants will be rated after the interview based upon the non-discriminatory criteria in the procedures and forms.

Unless an applicant is referred to the JATC due to potential disqualifying factor upon completing all scheduled interview sessions, all interviewed applicants will be notified that they shall remain on the active list, subject to selection, for a period of one (1) year from the date of their interview. This notification shall indicate that on the anniversary date, their eligibility shall expire.

H. Ranking and Selection

1. After the members of the interview committee complete their evaluation of an applicant, the scores will be averaged in accordance with the procedures and forms developed by the *electrical training ALLIANCE*. The applicant will be included on the ranked list based upon that rating.
2. The JATC will place all individuals currently active on the list in ranked order. The ranked list will identify each individual's: rank, name, application number, date of interview, score to two decimal places, and eligibility expiration date. A current copy of the complete ranked list will be filed with the Registration Agency prior to selection and registration to any individual entering the apprenticeship program through the standard selection process.
3. When new interviews are scheduled and completed, or other selection procedures are completed, the JATC will add those applicants to its existing ranked list of applicants. Whenever a new ranking list is created, a copy will be provided to the Registration Agency.
4. The number of new apprentices to be selected, at any time, will be determined by the JATC, based on industry needs and the JATC's ability to provide training.
5. Selection of individuals from the list of interviewed applicants will not be done until all pre-scheduled interview sessions or other selection procedures are completed. The Registration Agency shall be promptly notified of all individuals entering the apprenticeship program through any means of entry.
6. The actual selection of individuals will be made by using the current ranked list, starting with the top score, and continuing on, in descending order, until the desired number of accepted applicants has been reached. The only individuals who may be registered ahead of those on the current ranked list are those entering through approved direct entry methods, including transfer, and organizing procedures. Selection from the current ranked list must be the highest on the list; the JATC cannot skip over individuals.
7. All selected applicants will be notified in writing (mail or email) of the JATC's offer of apprenticeship. The offer will be conditioned on completion of any required post-selection steps set out in the Standards and will note which conditions apply.
8. Once applicants are interviewed and placed on the ranked list, they shall remain active and subject to selection, for a period of one (1) calendar year from the date of interview or completion of other selection procedures, unless they decline an offer, request to be removed from the list, fail to meet post-selection requirements, or they are approved for a re-interview.

9. Applicants will be deemed to have requested to be removed from the ranked list and/or declined an offer if they (i) fail to notify the JATC of changes in contact information; or (ii) fail to promptly respond to communications from the JATC, including offers.
10. All selected applicants (including direct entry) must provide any remaining documentation required to complete their applications process and satisfy all post-selection requirements in the Standards.

I. Post-Selection Requirements.

All selected applicants (including those admitted through direct entry) must meet the following minimum requirements at the time indicated in these Selection Procedures, typically after a conditional offer is made and prior to registration.

- Provide any remaining documentation required to complete the selection process.
- Not be disqualified as a result of information obtained by the JATC during the selection process, including interviews, verification of information, reference checks or other information made available to the JATC prior to registration.
- Pass all required drug-screen tests. The cost of the tests is borne by the JATC. If the applicant fails any pre-registration drug test, refuses to take any pre-registration drug test, or has insufficient hair or urine for any pre-registered drug test, each of which constitutes a failed pre-registered drug test, the conditional offer will be revoked.
- Attend and successfully complete the JATC's Boot Camp/Orientation. Applicants will not be paid for the time they attend this program. The JATC's conditional offer may be rescinded if the applicant demonstrates in any way that he or she is unlikely to be successful in the apprenticeship program, (e.g., inability to learn or employ appropriate safety skills, poor attendance, or tardiness, or failing to demonstrate the physical abilities required).
- Pass a background check.
 - a. Prior to selection for apprenticeship, the JATC shall undertake a background check of the applicant. The cost of the background check will be paid for by the JATC. Disclosure under the Fair Credit Reporting Act will be provided to the applicant of the JATC's intention to obtain a background check from a third-party for employment purposes and the applicant's consent in writing will be obtained to perform the background check.
 - b. In the event the JATC intends to use the results of the background check to disqualify or expel an applicant as a result of information disclosed by the background check, the JATC will provide the applicant (in writing) of their rights under the Fair Credit Report Act and provide the applicant the opportunity to dispute the accuracy or completeness of the information reported to the JATC.

J. Disqualification

Prior to, during or after the interview, and prior to registration, the JATC may learn of information that may disqualify the applicant or render them unable to meet the requirements of the program. The JATC or its designee shall discuss those issues with the applicant, provide the applicant with an opportunity to explain and, where appropriate, obtain relevant documentation. If the applicant does not voluntarily withdraw his or her application, the applicant may be referred to the JATC for a decision on whether the applicant should be disqualified and not placed on the active list or should be removed from the list.

K. Re-Evaluation Process

If after a minimum of ninety (90) days from the date of their most recent interview with the JATC, an applicant has gained at least 450 hours of documented work experience in the electrical construction industry or has successfully completed two (2) or more post-secondary, industry-related classes, the applicant is eligible to make a request to be re-interviewed by the JATC by completing the JATC's Re-Interview Request Form. Examples of related classes include Algebra I and II, Geometry, Trigonometry, Advanced Math, Physical Sciences, Physics, Chemistry, Industrial Arts, Mechanical Drawing/Drafting, Computer Literacy/Programming, or Related Vocational/Technical Courses.

The JATC is not obligated to grant a re-interview to an applicant where the factors on which the score was based would not be affected by additional experience or education. The JATC will respond to the request in a timely manner.

L. Applicant Appeals Procedure

Any applicant for apprenticeship who believes that he or she has been subjected to discrimination or other unfair treatment during the selection process on the basis of any protected category may file a complaint of discrimination using the JATC's internal Complaint Procedure set out below or Appendix F.

Advancement Of Apprentices, Cancellation, Complaint Procedures

A. Advancement of Apprentices

1. Every two months during the first year of apprenticeship, and at least yearly thereafter, the JATC shall examine the progress of the apprentice on the job and in related instruction, based on apprenticeship evaluation completed by an Employer and other available information. The JATC will also receive a monthly OJT training report from each Employer showing the experience and training in the various work processes acquired by the apprentice and evaluating the apprentice.
2. The JATC shall evaluate the apprentice's overall performance and accomplishments at the end of each period. Action must be taken on each apprentice to approve advancement, extend present rating for a specified probationary period, or cancel the apprenticeship agreement, with due notice to the apprentice and a reasonable opportunity for corrective action. Proper documentation shall be maintained of all action taken by the JATC.

B. Cancellation or Resignation of Apprenticeship Agreement

1. An Apprenticeship Agreement may be canceled at the request of the apprentice at any time.
2. An Apprenticeship Agreement may be suspended for a specified period of time, canceled, or terminated by the JATC for good cause, with due notice to the apprentice and, in appropriate circumstances, a reasonable opportunity for corrective action. Written notice shall be provided to the apprentice and to the Registration Agency (if required).
3. Individuals who have been suspended or terminated from apprenticeship shall not be assigned by the JATC in any capacity. Suspended or terminated apprentices are not eligible to participate in any related training activities and, as per the CBA, they are not eligible for any job assignments by the JATC under the CBA unless the JATC has determined that the individual is eligible for a change to another classification recognized in the CBA.
4. When an apprentice's Apprenticeship Agreement is terminated before satisfactory completion of their apprenticeship, the resulting vacancy may be filled by selecting and

registering the next individual from the current eligibility list; provided all registered apprentices who are available for OJT assignments are so assigned. In the event that related instructional training classes are not available in the immediate future, the individual(s) registered shall begin informational/awareness classes just as soon as possible. These courses may include topics such as Industry Awareness, Communications, Productivity, Marketing, CPR, Tech Math, Safety Awareness and General Orientation.

C. Complaint Procedures

1. The JATC shall have full authority and responsibility to review and shall seek to resolve all issues and/or disputes pertaining to all apprenticeship and training matters. The JATC shall hear and consider all complaints of violations concerning the Apprenticeship Agreement and the Standards, and shall make such rulings, as it deems necessary and appropriate in its discretion. Apprentices have the right to request an appearance before the JATC concerning specific issues or matters dealing with their apprenticeship agreement. Such requests must be in writing. The JATC shall adopt a formal Complaint Procedure as part of its Rules and Policies. Apprentices and applicants have no right to representation by an attorney or others during JATC investigations and meetings, unless otherwise provided in the Rules and Policies.
2. Any apprentice or applicant for apprenticeship who believes they have been subject to discrimination in violation of the EEO Policies and Procedures, or federal, state, or local law has the right to file an internal complaint with the JATC and rights to file external complaints with the U.S. Department of Labor, EEOC and/or applicable state or local agencies. See EEO Policies and Procedures, Appendix F.
3. All applicants and apprentices have the right to file complaints regarding any issue with the Registration Agency. Applicants and apprentices will be provided with a copy of the Notice of Rights. See Appendix F.
4. All apprentices have the right to seek resolution through the applicable Grievance and Arbitration Articles of the CBA for issues arising on the job: wages, hours, working conditions, and other issues covered by the CBA. Apprentices should first provide notice to the JATC.
5. A Local Union receiving a grievance from or about an apprentice shall notify and involve the JATC, which has the primary responsibility for apprentices under Article V of the Standard Inside Agreement.

Certification of Completion

Upon satisfactory completion of the required number of hours of related instruction from the *electrical training ALLIANCE's* course of study and accumulation of a minimum of 6,000 hours of OJT, the JATC will certify to the sponsoring parties, to the *electrical training ALLIANCE*, and to the Registration Agency that the apprentice has satisfied the requirements of his or her apprenticeship agreement.

APPENDIX A-2

TELECOMMUNICATION TECHNICIAN

O*NET-SOC CODE: 49-2022.00

RAPIDS CODE: 0618

Work Process

The JATC shall require each Telecommunication Technician apprentice to submit a work report on a monthly basis. Such reports shall be maintained by the JATC as part of its official file for each apprentice. The JATC shall use reports and other evaluations and records the JATC may use to provide an accumulative OJT record of experience in the various work processes for each apprentice.

All OJT work shall be performed under the supervision of an electrical industry QEW (Journeyworker Installer-Technician). Supervision will not be of such nature as to prevent the development of responsibility and initiative. Work may be laid out by an Employer's designated supervisor based on the apprentice's skills and ability to perform the job tasks, after which the apprentice shall be permitted to perform job tasks in order to develop job skills and industry competencies.

Apprentices with a minimum of 4,000 hours of OJT who have successfully completed over 320 hours of related instruction, may be permitted to perform telecommunication work without the direct supervision of a Journeyworker Installer-Technician as follows: while the apprentice's supervising Journeyworker Installer-Technician must be present on the job site, and the apprentice should not be the first worker assigned to the job, such apprentice may be assigned to independently perform job tasks at the job site consistent with the apprentice's skills, knowledge and ability to perform the work as determined by the Employer.

A telecommunication technician apprentice shall not supervise the work of any other apprentice or workers of any other classification.

Hours of Work; Assignments

The apprentice shall work the hours that are specified in the local CBA or such hours that are set by an Employer consistent with the CBA. The current hours of work shall be included in the Rules and Policies. The apprentice's work shall not interfere with attending related instructional classes.

The JATC shall maintain a standard procedure for assignment of apprentices and endeavor to ensure continuous employment for all apprentices, and adequate training and experience in all work processes as described above. The JATC shall make all OJT assignments and reassignments consistent with the CBA. In order to achieve these objectives an apprentice may be transferred or reassigned to another participating employer as determined by the JATC in its discretion.

In the event that the JATC is unable to provide an eligible apprentice with an OJT assignment, apprentices may seek temporary employment outside of the electrical construction industry. Regardless of employment status, apprentices must continue to report for their regularly scheduled related instructional classes. Apprentices shall remain at all times subject to immediate call by the JATC for an OJT assignment given by the JATC. Under no circumstances shall a participating employer be denied the assignment of an apprentice due to an apprentice temporarily working outside the CBA. Failure to immediately comply with instructions to return to the JATC for an OJT assignment may result in cancellation of the apprentice's apprenticeship agreement.

The JATC may assist apprentices in seeking temporary employment by providing access to resources, establishing connections with local employers or other methods.

Temporary Training Opportunities

Apprentices may be permitted to receive OJT and related training on a temporary basis with another IBEW/NECA JATC, provided that the apprentice, both of the JATCs, and their respective Local Unions

and Local Chapters agree on such assignment. Before apprentices are given a temporary OJT assignment, they must supply the host JATC with an official copy of their apprenticeship agreement, clearly indicating that it has been properly registered with the applicable Registration Agency. Apprentices shall remain subject to reassignment by the JATC with whom they are registered. Failure to immediately comply with such instruction to return to the JATC with whom they are registered may result in the cancellation of the apprentice's apprenticeship agreement; in which case, the apprentice would no longer be employable as an apprentice under the CBA in any jurisdiction.

Related Instruction

The time spent in related instruction, which may include blended learning and computer-mediated learning, shall be in addition to the required minimum hours of OJT. The computer-mediated learning model will allow the apprentice to learn at their own pace with experiential learning styles such as gaming, and knowledge checks before moving on to the next section to ensure competence. The minimum number of related instruction hours per year may change from time to time in order to meet training needs. Such changes must be properly approved by the Registration Agency.

The JATC shall secure competent Instructors whose knowledge, experience, and ability to teach shall be carefully examined and monitored. These instructors will also be competent with hands-on labs to allow the apprentices to become sufficient. The Instructors shall take the teacher training courses made available from the *electrical training ALLIANCE* (or state-required equivalent) through attendance, participation, and working towards completion of the Industry's Four-Year National Training Institute Teacher-Training program.

The JATC shall secure the instructional aids and equipment it deems necessary to provide quality instruction.

The instructors shall administer or oversee *electrical training ALLIANCE* standardized tests in a timely manner. Such tests shall be evaluated, scored, and reviewed with the class. If tests are not administered electronically, the instructor shall ensure that all tests and materials are collected and provided to the JATC.

The JATC shall monitor the apprentice's performance in related training and take appropriate action to encourage improvement where warranted. JATCs will require performance reports to be filed on a regular basis by each Instructor, evaluating the apprentice's related instructional training performance. Such reports shall be maintained by the JATC as part of its official file for each apprentice, providing an accumulative record of performance in related training.

The JATC shall inform each graduating apprentice of the availability of college credit through the *electrical training ALLIANCE's* College Credit Program with the American Council on Education ("ACE"), and any Continuing Education Units ("CEUs") that may be available.

Certain related instruction may be provided online, rather than in a traditional classroom or laboratory setting. If an apprentice is required to attend related instruction online, the apprentice must have access to the Internet via a computer and must complete all online assignments and the total required hours of each session in the allotted amount of time. The computer will not be provided by the apprenticeship program and the Internet access fees will not be paid by the apprenticeship program.

Safety and Health Training

The Employers are responsible for instructing apprentices in safe and healthful work practices and shall ensure that the apprentice is trained in facilities and other environments that are in compliance with either the Occupational Safety and Health Act standards promulgated by DOL or State or local

standards that have been found to be at least as effective as the Federal standards.

The JATC shall see that all apprentices complete CPR/First Aid training during their probationary period. The JATC shall also attempt to see that graduates of its apprenticeship program possess a current CPR/First Aid card. NOTE: This training requires additional classroom hours.

The JATC shall see that each apprentice successfully completes the electrical training ALLIANCE, OSHA approved, Ten-Hour Construction Safety course, before beginning the second session of related instructional training. NOTE: This training requires additional classroom hours.

Methods of Entry

Every individual selected for apprenticeship shall come from the pool of qualified applicants on the ranked list, unless otherwise qualifying for Direct Interview or Direct Entry. No applicant shall be excluded from consideration because they fail to meet qualifications for Direct Interview or Direct Entry; they must be considered under the standard method of entry.

Application. Every applicant must fill out an application form, either in paper format or electronically; accurately; and completely responding to all questions and items listed in the application.

Direct Interview Qualification.

Except as described below, the applicants described below will not be required to obtain a qualifying score on the Aptitude Test or meet the requirements of High School diploma or GED, or Algebra.  - b. 2,000 Hours. Applicants who can verify that they have worked a minimum of 2,000 hours specifically in the telecommunications industry. *These individuals may also qualify for direct entry.* An absolute minimum of 2,000 hours of telecommunications work experience must be proven to meet this qualification. No other form of electronic or electrical experience/training or construction experience will be given credit under this provision.
 - c. Individuals applying under these two Industry Experience methods must provide to the JATC sufficient documentation, satisfactory to the JATC, to demonstrate their experience in the electrical construction industry. This documentation may be comprised of official documents such as tax/payroll records, or notarized letters of experience from prior employers.

The JATC may determine that participants must complete the First Year of industry-related classroom training (*electrical training ALLIANCE Curriculum*), specific *electrical training ALLIANCE* courses or industry orientation-related seminars, or classes. These classes and seminars shall be taught by the JATC. The *electrical training ALLIANCE* course materials may be presented during the evening hours.
 - v. may permit the scheduling of alternating weeks of academic study and OJT experience, as determined by the JATC, and agreed to by the participating school(s).
 - vi. shall mandate that failure to successfully complete academic studies (high school and JATC) shall be just cause for termination from the program.
 - vii. shall mandate that failure to demonstrate progress in safely and proficiently accomplishing work practices shall be just cause for termination.

- ii. Be located in a geographic area for which there is a high demand that cannot be reasonably served with a sufficient number of apprentices because of the excessive travel distances.

Direct Entry Qualification.

Applicants who meet the following qualifications will be offered direct entry into the Apprenticeship Program, with certain requirements waived and without being placed on or selected from the ranked list of qualified applicants. These individuals must still meet all post-selection requirements, unless expressly exempted.

- 1) New Signatory Employer. - a. The apprentice must submit a written request for transfer, describing in detail the needs and reasons upon which the request is based.
 - b. The apprentice's sponsoring JATC must agree to the transfer, acting on behalf of the official program sponsors for the IBEW and NECA. The sponsoring JATC must not unreasonably withhold such agreement.

- c. The receiving JATC must agree to accept the transfer, acting on behalf of the official program sponsors for the IBEW and NECA. The receiving JATC must not unreasonably withhold such acceptance.
- d. The receiving JATC shall have complete access to all apprenticeship records pertaining to the transferring apprentice.
- e. The transferring apprentice must:

The Registration Agency will be provided with all documentation necessary and/or required to verify that the transfer is justifiable.
- h. The apprentice will receive full credit for probationary time previously served. No plan assets will be transferred between the plans to cover the cost of the apprentice's education.

4) *New Telecommunication Training Program*

- a. For a period of four (4) months from the date of these Standards are initially implemented, all individual enrolled in an IBEW/NECA telecommunications training program, shall be evaluated by the JATC, or the Subcommittee, using consistent, standard, non-discriminatory means, and registered the appropriate period based on previous work experience and related training.

fixtures, devices, and electrical apparatus within commercial, industrial, and residential buildings.

- f. iv. Be capable of completing all requirements of the apprenticeship program and performing the work required of an electrical worker, with or without reasonable accommodations, including being able and willing to: Safely perform or learn to safely perform the essential functions of the job; Get to and from work at job sites anywhere within the geographical jurisdiction of this Apprenticeship Program. Attend and successfully pass all related instruction; Understand and follow all JATC Rules and Policies; Read, hear, speak, and understand instructions and warnings in English.

5) Other Means.

- a. Individuals who qualify under two years military electrical experience, 2,000 hours, Interim Credential, or industry needs, may qualify for direct entry, after interview based upon standard, non-discriminatory evaluation factors (e.g., top 50% of class ranking for those with Interim Credentials, a defined cut-off or pass/fail score on knowledge-based tests or skills-based tests or other exams, or a pass/fail interview).
- b. The JATC may, in its discretion, determine that due to industry needs, individuals in one or more categories will be offered direct entry rather than direct interview for a period of time.
- c. Decisions to permit direct entry under these options, and for what period of time, should be recorded in the Minutes of the Committee and publicized through the Notice of Apprenticeship Opportunity, prior to each period of application and interviews.
- d. A decision to permit direct entry instead of direct interview must be made before or promptly after an interview before interviewees are placed on the ranked list. Once an applicant is placed on the ranked list, their status cannot be changed to Direct Entry.

Credit for On-the-Job Skill Acquisition and Previous Related Training

Every applicant who qualifies for Direct Interview or Direct Entry, and who is subsequently registered, will be evaluated by the JATC to determine, using standard means of evaluation, if OJT and/or related instruction credit will be awarded for previous training and experience.

Qualified applicants selected for registration who have the *electrical training ALLIANCE* Interim Credential shall be provided credit for the courses completed within the Interim Credentials, if the Interim Credential was received within three (3) years of the date of registration.

Other applicants selected for registration who have previous knowledge and skill acquisition in the electrical construction industry can ask for and have such work and job experience evaluated by the JATC prior to signing an Apprenticeship Agreement. The apprentice cannot request an evaluation of past experience after signing.

Where such experience warrants, the JATC will place the apprentice in the appropriate period with the commensurate wages as determined by the JATC. The JATC will use consistent and equal ways and means for measuring and evaluating individuals to determine how much credit to award, for both OJT and related training. Hours of OJT credit awarded and related instruction placement level are independent of one another. Those awarded OJT credit and assigned to the appropriate pay period classification may be given additional time to successfully complete related instructional requirements.

Advance standing is subject to review throughout the probationary period. During this time, OJT and classroom performance will be evaluated to determine if any readjustment concerning OJT or related

training status is warranted, including reevaluation and reassignment of apprenticeship period and level of related instruction, as the JATC determines.

The JATC permits individuals with previous education and training to test out of related courses. It has developed a nondiscriminatory policy adopting uniform written and proficiency-type examinations to be used in determining whether or not to award credit and waive specific course(s), or areas(s) of training.

The Apprenticeship Agreement

Before being employed as an apprentice or enrolled in related instruction classes, the selected applicant must sign an Apprenticeship Agreement with the JATC. The Apprenticeship Agreement will be submitted to the Registration Agency for approval if required. The Standards and the JATC's Rules and Policies (as they may be amended) shall be considered a part of the Apprenticeship Agreement.

Prior to signing the Apprenticeship Agreement, each selected applicant shall be given an opportunity to read and review the Standards, the JATC's Rules and Policies, the Apprenticeship Agreement and the sections of the CBA that pertains to apprenticeship. Selected applicants shall sign an acknowledgement that they have reviewed the documents and are willing to abide by them.

The JATC and the Apprentice shall sign the Apprenticeship Agreement, and each receive a signed copy. The JATC shall follow the procedures of the Registration Agency regarding the submission of the Apprenticeship Agreement (e.g. through RAPIDS for DOL states, number of signed originals).

Section A: Program Sponsor's Identifying Information

- A1. An **Employer Identification Number (EIN)** is an Internal Revenue Service Federal Tax Identification Number that is used to identify a business entity. The submission of the EIN is voluntary. The employer who enters this number is verifying that the business is legitimate with intentions of maintaining a registered apprenticeship program and training apprentices. This quality assurance check protects the welfare of the apprentice.
- A2. A **Program Number** is a generated number assigned to a program sponsor when a program is registered in the Office of Apprenticeship's Registered Apprenticeship Partners Information Data System (RAPIDS).
- A3. A **Sponsor Name** is any person, association, committee, or organization operating an apprenticeship program and in whose name the program is (or is to be) registered or approved.
- A12. A **Parent Organization / National Affiliation** refers to the employer, labor union, or association which may be a party to the program sponsor's standards of apprenticeship.

Section B: Program Sponsor's Point of Contact and Other Relevant Information

- B13. An **Employer** is any person or organization employing an apprentice whether or not such person or organization is a party to an Apprenticeship Agreement with the apprentice.
- B15. Each state has an **Eligible Training Provider (ETP) List** that is comprised of entities with a demonstrated capability of training individuals to enter quality employment. In accordance with the Workforce Innovation and Opportunity Act, participants in need of training services to enhance their job readiness or career pathway may access career training through this list of state-approved training providers and their state-approved training programs.

Section C: Additional Program Classification Information (Including Sponsor's Point of Contact for Complaints)

- C1. A **Program Type** includes the following:
- **National Program Standards (NPS)** are apprenticeship programs that are generally appropriate for large national employers that wish to implement the same apprenticeship program across the country in multiple jurisdictions. NPS is a registered apprenticeship business model which affords a program sponsor a uniformed approach for training nationally with a single point of registration.
 - **Local Apprenticeship Standards** are apprenticeship programs that are appropriate for registration in a specific jurisdiction.
 - **National Guidelines for Apprenticeship Standards (NGS)** are suitable for organizations that seek to provide some level of consistency in standards across their affiliates, but wish to allow for some ability to customize programs at the local level. While NGS are approved and certified by the Office of Apprenticeship at a national level, programs are registered by local jurisdictions.
- C4. The **Size of Workforce** equates to the number of employees (e.g., support staff, professional staff, management, etc.) associated with the program's employer(s).
- C5. An **Employer North American Industrial Classification System (NAICS) Code** is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. For more information on NAICS, please go to the following website: <https://www.census.gov/eos/www/naics/>.
- C6. An **Inmate Program** refers to a program established under an agreement between a sponsor and a prison system for training inmates. Please note that these programs are not subject to Federal or state minimum wage requirements.
- C8. **Complaints:** Identifies the individual or entity responsible for receiving complaints (29 CFR 29.7(k)).
- C9. A **Program Registration Date** is the date the program was officially registered.

Section D: Occupation Information, Relevant Wage Information, and Minimum Qualification Requirements

- D1. **Occupation Type** refers to the following three training approaches listed below.
- A **Time-based Approach** measures skill acquisition through the individual apprentice's completion of at least 2,000 hours of on-the-job learning as described in a work process schedule.
 - A **Competency-based Approach** measures skill acquisition through the individual apprentice's successful demonstration of acquired skills and knowledge, as verified by the program sponsor. Programs utilizing this approach must still require apprentices to complete an on-the-job learning component of Registered Apprenticeship. The program standards must address how on-the-job learning will be integrated into the program, describe competencies, and identify an appropriate means of testing and evaluation for such competencies. An apprentice must be registered in an approved competency-based occupation for 12 calendar months of on-the-job-learning.
 - A **Hybrid Approach** measures the individual apprentice's skill acquisition through a combination of specified minimum number of hours of on-the-job learning and the successful demonstration of competency as described in a work process schedule.
- D2. An **Occupation Title** is the specific title of an occupation that a sponsor designates using the apprenticeable occupation list.

Program Registration and Apprenticeship Agreement

- D5. A **Sponsor Occupation Title** is a specific title of an occupation that may or may not be the same as the O*NET occupational title.
- D6. **Interim Credentials** (Certificate of Training) applies to career lattice occupations. These credentials are issued by the Registration Agency upon request by the program sponsor. Interim credentials provide certification of competency attainment by an apprentice, but does not necessarily indicate completion of the program.
- D7. A **Term Length** of the occupation is based on the program sponsor's training approach as approved by the Registration Agency.
- D8. A **Probationary Period** is the number of hours or weeks of on-the-job learning during the apprentice's probationary period. A probationary period cannot exceed 25 percent of the term length of the occupation or one year, whichever is shorter.
- D10. A **Written School-to-Apprenticeship (STA) Agreement** is based on when a sponsor has an agreement that would be signed by the high-school student, employer, and parent or guardian, if applicable. The agreement may include a supplemental articulation agreement outlining the duties and responsibilities of all parties.
- D15. The **Number of Journeyworkers Employed** represents the total number of journeyworkers in an occupation.
- D21. The **Wage Schedule Information** requires a progressively increasing schedule of wages during the apprentice's apprenticeship based on the acquisition of increased skill and competence on the job and in related instruction. Multiple wage schedules may apply to a program that has the same occupation in different geographic localities.

Section E: Related Instruction (RI) Provider(s) Information

- E1-24. The **Related Instruction (RI) Provider(s) Information** section requires the sponsor to enter information on the RI provider in E1-12 and in E13-24, if there is an additional RI provider.

EEO Policies and Procedures

Appendix F

EEO Policies and Procedures

I. Affirmative Action and Equal Opportunity

National data analyzed by the U.S. Department of Labor (DOE) reflects that in people of diverse race and ethnicity, women and individuals with disabilities have not shared proportionately in the rewards and opportunities within many industries and occupations. DOE determined, in revising the regulations in 29 C.F.R. Part 30, that more aggressive action is needed to attract, select, and retain qualified applicants into apprenticeship programs, including more individuals of diverse race and ethnicity, women, and individuals with disabilities.

The IBEW-NECA segment of the Electrical Construction Industry has vigorously attempted to maintain an open-door application policy regardless of race, color, ethnicity, religion, national origin, sex, age, disability, and other protected characteristics. The JATC will engage in reasonable equal opportunity and affirmative action measures intended to increase the recruitment of qualified minorities, females, and individuals with disabilities who apply for, are selected, and ultimately become Journeyworkers.

The *electrical training ALLIANCE* has developed, and the JATC has or will be adopting these EEO Policies and Procedures set out in this Appendix F, and the Affirmative Action Plan in Appendix C. The JATC is committed to the concept and practice of Equal Employment Opportunity and Affirmative Action in all aspects of its apprenticeship programs and services. No apprentice or applicant for apprenticeship, or any other participant in JATC programs or services, will be treated differently or otherwise discriminated against on the basis of race, color, religion, national origin, sex, (including pregnancy and gender identity), sexual orientation, age (40 or older), genetic information, disability, or other characteristics or conduct protected by state or local law as set out in the EEO Pledge.

The EEO Policies and Procedures and Affirmative Action Plan are intended to comply with, and shall be interpreted consistent with, the affirmative action obligations under 29 C.F.R. Part 30, Title VII of the Civil Rights Act of 1964 (Title VII), the Age Discrimination in Employment Act (ADEA), Title I of the Americans with Disabilities Act (ADA), the Genetic Information Non-Discrimination Act (GINA) and any other federal, state or local non-discrimination laws applicable to the JATC. If the JATC is or in the future becomes a recipient of federal financial assistance, through grants or otherwise, these policies and procedures will be interpreted to be consistent with the applicable laws, including but not limited to Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Age Discrimination Act, and Title IX of the Education Amendments.

These EEO Policies and Procedures and the AA Plan will remain in effect until they are updated by the *electrical training ALLIANCE*, or until the JATC determines (based on its annual review) that there is a need to make amendments or revisions. Any and all changes must be submitted to the *electrical training ALLIANCE* and the Registration Agency for approval before implementation.

II. Responsibility for Implementation

The coordination of responsibility for implementation of the EEO/AA Plan and any related policies and practices is assigned by the Committee to the Training Director and/or Office Administrator [insert title(s)] who shall serve as the JATC's EEO/AA Coordinator(s). The EEO/AA Coordinator(s) has the full resources, support of and access to JATC, Local Union and Local Chapter leadership to insure effective implementation. The designation of a responsible person, as required by DOE regulations, does not relieve the Committee from its obligation to ensure compliance with 29 C.F.R. Part 30 and applicable laws, or the

effective implementation of this EEO/AA Plan.

[Note: The following is a list of typical tasks that may be required to implement the requirements in 29 C.F.R. Part 30. The JATC has the option to modify the other descriptions or to assign responsibility to other individuals].

The duties and responsibilities of the EEO/AA Coordinator(s) include, but are not limited to:

- *Monitoring all registered apprenticeship activity to insure compliance with the non-discrimination and affirmative action obligations;*
- *Developing and implementing EEO/AA policies;*
- *Developing and implementing internal and external communication techniques;*
- *Identifying potential problem areas;*
- *Assisting the JATC and others to arrive at solutions to identified problems;*
- *Serving as liaison between the JATC and enforcement agencies;*
- *Serving as liaison between the JATC and organizations, community action groups or other entities concerned with employment opportunities for minorities, women and individuals with disabilities;*
- *Keeping the JATC, Local Union and Local Chapter informed of the latest developments in the equal opportunity area;*
- *Meeting with the NECA Chapter and contractors as appropriate to make certain that they are familiar with the latest developments in equal opportunity and addressing issues on the job;*
- *Maintaining required records;*
- *Generating and submitting reports as required by the relevant Registration Agency; and*
- *Designing and implementing auditing and reporting systems that, on an annual basis (as appropriate) will measure the effectiveness of the EEO/AA Plan, determine the degree to which the JATC's goals and objectives are being attained, and identify any need for remedial action. This includes compliance with 29 CFR Part 30 requirements for annual self-evaluation, and validation of all selection procedures to ensure they meet the Uniform Guidelines on Employee Selection Procedures.*

III. Dissemination of EEO/AA Plan

The JATC will inform all applicants for apprenticeship, apprentices, and individuals who operate or administer any aspect of the registered apprenticeship program, of its commitment to equal opportunity and its affirmative action obligations. At a minimum, the JATC will (*select all that apply*):

- **Publish its Equal Opportunity Pledge in the Apprenticeship Standards and in other relevant publications, such as the JATC's Rules and Policies; newsletters; recruitment publications and other appropriate publications; other documents disseminated by JATC; or documents that otherwise describe the nature of the sponsorship;**
- *Post its Equal Opportunity Pledge on its website and bulletin boards, and through electronic media, to ensure that it is accessible to all apprentices and apprenticeship applicants;*
- *Conduct orientation information sessions for new apprentices, and periodic information sessions for apprentices, JATC staff, instructors and the JATC;*
- *Provide the EEO/AA Plan to the leadership of the Local Union and NECA Chapter; and,*

- **Provide copies of the EEO Pledge and other information to participating employers for their employees who are connected with the administration or operation of the apprenticeship program.**

IV. Anti-Harassment Training

As part of its efforts, the JATC will provide periodic anti-harassment training for all apprentices, JATC staff, instructors, and Committee members. This training must be attended in-person or be completed via interactive online training. The training must communicate, at minimum, the following: (a) that harassing conduct will not be tolerated; (b) the definition of harassment and the types of conduct that constitute unlawful harassment on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability; and, (c) the right to file a harassment complaint.

The JATC will also take steps, in consultation with the Local NECA Chapter, to ensure that all individuals connected with the administration or operation of the apprenticeship program will receive similar anti-harassment training, including all supervisors and Journeyworkers who work with apprentices.

V. Universal Outreach and Recruitment

The JATC will implement measures to ensure that its outreach and recruitment efforts for apprentices extend to all persons available for apprenticeship within the sponsor's relevant recruitment area without regard to race, color, religion, national origin, sex (pregnancy, gender identity), sexual orientation, age (40 or older), genetic information, or disability. These actions are identified in Appendix C.

VI. Non-Discrimination and Equal Employment Opportunity

The JATC does not, and will not, discriminate against an apprentice or applicant, or any other participants in JATC programs and services, on the basis of race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, age (40 or older), genetic information, or disability with regard to any aspect of its apprenticeship programs, including but not limited to recruitment, outreach, and selection procedures, grading, assessment, and advancement; on-the-job opportunities and assignments; rates of pay; imposition of penalties or other disciplinary action and termination; and, any other benefit, term, condition, or privilege associated with apprenticeship.

VII. Selection of Apprentices

The JATC's procedures for selection of apprentices are included in its Standards and Selection Procedures described in Appendix A.

The JATC has reviewed its apprentice selection methods and has determined that they meet the following requirements:

- *Compliance with the Uniform Guidelines on Employee Selection Procedures ("UGESP") and 29 C.F.R. Part 30, including the requirements to evaluate the impact of the selection procedures on race, sex, and ethnic groups (Hispanic or Latino/non-Hispanic or Latino); to demonstrate job-relatedness and business necessity for those procedures that may result in adverse impact in accordance with the requirements of UGESP; and to annually review its processes.*
- *The selection procedures are uniformly and consistently applied to all applicants and apprentices.*
- *The selection procedures comply with Title I of the ADA and the EEOC's implementing regulations at 29 C.F.R. Part 1630.*

- *The selection procedures are facially neutral in terms of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability.*
- *The selection procedures do not screen out or tend to screen out individuals with disabilities or classes of individuals with disabilities on the basis of disability. To the extent this does occur, the standard, test, and other selection criteria, are job related for the position in question and are consistent with business necessity.*

VIII. Prohibition of Harassment

The JATC does not tolerate conduct, whether intentional or unintentional or verbal or physical, that results in harassment of an individual or group, or that creates an intimidating, hostile, or offensive work and training environment, on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, disability, or other protected characteristics.

The JATC has developed and implemented procedures to prevent and address harassment of apprentices, including the following activities:

- Communicate to all individuals involved with the Apprenticeship Program that harassing conduct will not be tolerated.
- Provide anti-harassment training to all apprentices, JATC staff, and Committee members, and work with participating Employers to ensure that similar training is provided to all of their employees who have dealings with or supervisor apprentices.
- Make all facilities and apprenticeship activities available without regard to any protected characteristic; and,
- Establish and implement procedures for investigating and resolving complaints of harassment.

The JATC expects its employees, apprentices, and Employers and their employees, to treat each other with respect and dignity. Discriminatory harassment not only hurts the immediate victim but can result in a general atmosphere in which the purpose of the apprenticeship and training program is undermined.

All managers, supervisors, instructors, employees, and apprentices have a responsibility to maintain an environment free of unlawful harassment. JATC employees or apprentices who engage in such conduct will be disciplined, up to and including termination of employment or from the program. Employers who engage in such conduct against apprentices, or who permit their employees to do so, may be denied access to apprentices.

Unlawful discriminatory harassment is defined as unwelcome and unsolicited conduct when:

- Submission to such conduct is either explicitly or implicitly made a term or condition of an individual's employment; submission to or reject of such conduct is used as the basis for employment decisions affecting the individual; or,
- Such conduct has the purpose of effect or unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Examples of conduct that may be discriminatory harassment if based upon protected characteristics include:

- Epithets, slurs, negative stereotyping, or threatening intimidating or hostile acts that relate to an individual's characteristics:
- Graphic, abusive, degrading, intimidating, or offensive jokes, comments, remarks, or gestures directed at an individual.

- Physical contact or intimidation against an individual;
- Teasing, tricks, gossip, workplace slights;
- Display of pictures, posters, graffiti, objects, or other materials; or,
- Other conduct intended to harass, intimidate, or retaliate against an individual or group based on protected characteristics.

Complaints of harassment should be made under the Complaint Procedures in Part I 28.6.

IX. Reasonable Accommodation Because of Religion

Under Title VII, the prohibition on discrimination based upon religion includes the obligation to make reasonable accommodations for religious beliefs or practices unless the accommodation would impose an undue hardship. The definition of “undue hardship” for religious accommodations is imposing a more than a *de minimus* burden on the Employer, program, or others.

Apprentices who believe they need a modification or adjustment of any JATC Rules and Policies or other aspects of the apprenticeship because of their religious practices and beliefs should make the request in writing to the EEO/AA Coordinator. If the request involves on-the-job training or an Employer, the request must also be made to that Employer. In some cases, documentation may be needed. Certain requests may require review and approval by the JATC. The ability to accommodate absences from mandatory classes may be limited by the JATC’s absence policy and the availability of make-up classes.

X. Retaliation Prohibited

The JATC will not tolerate any form of intimidation, coercion, threats, adverse actions, or other forms of retaliation against an applicant or apprentice who has: (i) made an internal or external complaint of discrimination or harassment on the basis of protected characteristics or other alleged violation of this EEO/AAP or applicable federal, state, or local equal opportunity law, or otherwise opposed any unlawful discriminatory practices; (ii) furnished information to, or assisted or participated in any manner, in any investigation, compliance review, proceeding, or hearing under these policies or under any federal, state, or local equal opportunity law; or, (iii) otherwise exercised any rights and privileges under this EEO/AA Plan, 29 C.F.R. Part 30 or any federal, state, or local equal opportunity law. These are collectively “protected activities”.

All persons contacted in the course of an investigation will be advised that they and other individuals involved in a complaint are entitled to be treated in a professional and respectful manner, and that any retaliation or reprisal against an individual based upon protected activities is prohibited and could result in discipline up to, and including, termination of employment or discharge from the program.

Complaints of retaliation should be made under the Complaint Procedures in Section XVI.

XI. Employer Responsibilities

Employers who provide on-the-job training to apprentices in this program are expected to work cooperatively with the JATC on EEO matters and this EEO/AA Plan. IBEW-NECA apprenticeship programs have always worked cooperatively with contractors and the Local Union to prevent and address discrimination and harassment of apprentices on the job. DOL regulations under 29 C.F.R. Part 30 impose obligations on JATCs concerning on-the-job discrimination and harassment. The JATC will develop new processes, in consultation with the Local NECA Chapter and the Local Union, to address these issues.

Employers are expected to establish their own policies against discrimination, harassment, and retaliation, including procedures for filing, investigating, and resolving of complaints. Employers should understand

that under federal, state, and local anti-discrimination laws, they may be responsible for harassment of apprentices by their supervisory employees and under some circumstances, by co-workers. The failure of an Employer to take appropriate action regarding an apprentice's complaint of discrimination, harassment, or retaliation on the job may result in the contractor being denied access to apprentices in the program.

XII. Americans with Disabilities Act Compliance

The JATC is committed to compliance with the requirements of the ADA and other laws protecting persons with disabilities. The JATC will not discriminate against qualified applicants or persons with disabilities in its application, testing, selection, or training opportunities. Reasonable accommodations will be provided unless they would impose an undue hardship or result in a fundamental alteration of the program.

The JATC is also committed to helping apprentices with disabilities in dealing with Employers that provide on-the-job training. Apprentices who believe they have been subjected to discrimination or denied reasonable accommodation by an Employer should bring the matter to the attention of the EEO/AA Coordinator.

XIII. Mentoring and Other Support for Apprentices

The JATC acknowledges DOL's concerns that in many industries, including the construction industry, women, minorities, and individuals with disabilities have a higher drop-out or termination rate than others. The JATC recognizes that these traditionally underrepresented groups, as well as others who lack experience with unionized apprenticeship, the building trades, or the electrical construction industry; often struggle in their first year. The JATC will seek to address these concerns through the following activities (*select all that apply or include others*):

- ☒ *Tracking and monitoring retention rates for women, minorities, and individuals with disabilities, as well as those without prior experience with unionized apprenticeship, the building trades, or the electrical industry;*
- ☐ *Establishing pre-apprenticeship programs for underrepresented or non-traditional applicants;*
- ☐ *Mentoring programs involving instructors, senior apprentices, journeymen, and/or other apprentices;*
- ☒ *Consideration of other best practices for retention in the unionized electrical industry and building trades; and,*
- ☐ *Other actions described Affirmative Action Plan.*

XIV. Other Participants in JATC Programs

The JATC is committed to the principles of non-discrimination in all programs and activities of the JATC. The JATC may, consistent with DOL OA and ERISA requirements, engage in certain activities where there are participants other than apprentices or applicants for apprenticeship. Examples may include training programs that are open to Journeyworkers, Employers and their employees involved in apprenticeship, and Pre-Apprenticeship programs. When the JATC directly conducts or oversees any such programs or activities, it will not discriminate on the basis of Protected Characteristics and follow, where applicable, the following provisions of these EEO Policies and Procedures: Sec. F, Non-Discrimination; Sec. H, Harassment; Sec. I, Reasonable Accommodation and Religion; Sec. J, Retaliation; Sec. L, ADA, and Sec. Q(1) Internal Complaint Procedures.

Participants in these programs and activities may or may not be protected under federal or state EEO laws. Nothing in this EEO/AA Plan should be interpreted as waiving any rights of the JATC or creating any enforceable obligations not imposed by law.

XV. Targeted Outreach, Recruitment and Retention

The JATC will undertake action-oriented programs, including targeted outreach, recruitment, and retention activities, designed to correct any problem areas it may identify as a result of the review of its processes and any finding of underutilization of minorities, women, Hispanics or Latinos, and individuals with disabilities, as a result of the analysis.

The JATC makes a good faith effort to increase each year the recruitment, selection, and retention of individuals who are minorities, females, Hispanic or Latino, or individuals with disabilities until its Affirmative Action goals are met. The JATC will engage in the affirmative action activities described in the Affirmative Action Plan (Appendix C).

XVI. Complaint Procedures

A. Internal Complaints

1. All apprentices and applicants for apprenticeship have a right to and are encouraged to report any form of alleged discrimination or harassment that they may encounter in the administration or operation of this apprenticeship program on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, disability, or other protected characteristics, or retaliation for protected activity. This includes any complaints of discrimination, harassment, or retaliation by the JATC, its staff or instructors, or other apprentices, whether in class, on-the-job or otherwise; or that occurs on-the-job by contractors, Journeyworkers, or others.
2. JATC instructors and staff are expected to promptly report to the EEO/AA Coordinator any incident that they observe or learn of that may involve discrimination, harassment, or retaliation in violation of this EEO/AA Plan. Instructors should also act promptly to stop and reprimand any discrimination or harassment that they may observe.
3. All apprentices are encouraged to report to the EEO/AA Coordinator any incident that they observe or learn of that may involve discrimination, harassment, or retaliation of fellow apprentices in violation of this EEO/AA Plan, whether occurring during related instruction or on-the-job.
4. All applicants for apprenticeship and all apprentices will be provided with written note of their right to file a discrimination complaint and the procedures for doing so. Apprentices are not required to use this internal complaint procedure before filing a formal complaint with outside agencies, and filing an internal complaint does not limit an apprentice's rights to use other complaint procedures.
5. All complaints regarding discrimination or harassment should be submitted to the EEO/AA Coordinator or an individual designated by the EEO/AA Coordinator or the Training Director. Complaints may be made in writing or orally, and anonymous complaints will be accepted. A complaint of harassment may be made by someone who is not the target of harassment. Complaints should be filed as soon as possible after the alleged discrimination in order to allow prompt investigation. Complaints that are made more than 180 days after the date of the alleged discrimination may be accepted for good cause.
6. Complaints of discrimination, harassment, or retaliation will be fully investigated. Complaints and

information obtained in the course of an investigation will be treated as confidential to the extent consistent with the JATC's obligations under this EEO/AA Plan. The investigation process may vary based upon the nature of the complaint. For example, when alleged harassment occurs on the job, the JATC will typically notify the Employer, which will typically have the right and duty to investigate and take appropriate action. Employers are expected to notify the JATC when an incident on the job involves apprentices.

7. Any JATC employee or apprentice found to have committed an act of discrimination, harassment, or retaliation will be immediately disciplined. The nature of the discipline imposed will depend on the nature and severity of the misconduct and other factors, up to termination of employment or termination of apprentices from the program.

B. External Complaints

Any apprentice or applicant for apprenticeship who believes that he or she has been or is being discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability, with regard to apprenticeship, or who believes he or she has been retaliated against, may, personally or through an authorized representative, file a written complaint with the DOE, EEOC, state or local fair employment practices agency, and/or the state apprenticeship bureau. The JATC has posted and distributed the DOE Notice describing "Your Right to Equal Opportunity" and included this notice on its website. A copy is attached as Exhibit A. The details of other rights are included in the Standards and the Rules and Policies.

XVII. Invitation to Self-Identify

The JATC is required under federal regulations to analyze its recruitment, selection, and retention as part of its Affirmative Action Plan (See Appendix C). To assist in this process the JATC will invite applicants and apprentices to voluntarily self-identify their gender, race, ethnicity, and disability using the form set out in Appendix D. This will be done at the time and manner permitted by 29 C.F.R. Part 30. The JATC will not compel or coerce any individual to self-identify. All information on self-identification will be kept confidential and used only for statistical analysis and reporting under the EEO/AA Plan. The JATC may also inquire whether an individual who discloses a disability requires any reasonable accommodations to participate in the apprenticeship program.

The JATC invites applicants and apprentices with disabilities to self-identify by using the appropriate forms as follows:

- When an applicant applies or is considered for apprenticeship, the JATC will provide the applicant with a voluntary form at the same time that it invites the applicant to self-identify with respect to other characteristics.
- At any time after acceptance into the apprenticeship program, but before the individual begins the program, the JATC will provide a copy of the form to each new apprentice.
- The JATC will annually notify all apprentices of their ability to voluntarily self-identify as a person with a disability.
- The JATC will post a copy of the "Voluntary Self-Identification of Disability" form on its intranet in the event an apprentice's status changes and the apprentice would like to self-identify.

The JATC will also note in its records that an apprentice is an individual with a disability when: (i) the disability is obvious; or (ii) when an applicant or apprentice requests accommodation for a physical or mental impairment that meets the definition of a disability under the ADA. Unless the JATC receives

information from an apprentice that a disability has ended, the JATC will continue to include in its records that the person has a disability.

XVIII. Recordkeeping

As part of its EEO/AA obligations the JATC must collect and maintain records, including but not limited to records relating to:

- Selection for apprenticeship, including applications, tests and test results, interview notes, bases for selection or rejection, and any other records required to be maintained under the Uniform Requirements on Employee Selection Procedures (“UGESP”); requirements of Section 30.3, Equal Opportunity Standards;
- The invitation to self-identify as an individual with a disability;
- Information relative to the operation of the apprenticeship program, including but not limited to job assignments in all components of the occupation, promotion, demotion, transfer, layoff, termination, rates of pay, other forms of compensation, conditions of work, hours of work, hours of training provided;
- Any other records relevant to EEO complaints filed with the Registration Agency or with other enforcement agencies;
- Requests for reasonable accommodation; and
- Any other records pertinent to a determination of compliance with 29 C.F.R. Part 30, including those required by 29 C.F.R. §§ 30.5, 30.6, 30.7, 30.8, 30.9, and 30.11.

DOL regulations require that for any record the JATC maintains pursuant to this part, the JATC must be able to identify the race, sex, ethnicity (Hispanic or Latino/non-Hispanic or Latino) and, when known, disability status of each apprentice, and where possible, the race, sex, ethnicity, and disability status of each applicant to apprenticeship, and to supply this information upon request to the Registration Agency. Although DOL prefers voluntary self-identification as the method of collecting information regarding race, gender, ethnicity, and disability, DOL permits other methods to be used, including information provided in post-selection, employment records, or visual observation, if there is a factual basis (such as visual observation of gender or obvious physical disabilities; requests for accommodations; or complaints or comments by the applicant or apprentice disclosing race, gender, ethnicity or disability). The JATC will not guess or assume the gender, race, ethnicity, or disability of an applicant or apprentice.

All required records shall be maintained in accordance with law. The JATC will permit access to the Registration Agency during normal business hours to its places of business for the purpose of conducting EEO compliance reviews and complaint investigations and inspecting, copying such books, accounts, and records, including electronic records, and any other material the Registration Agency deems relevant to the matter under investigation and pertinent to compliance.

XIX. Internal Review of Program Processes and Effectiveness

As required by 29 C.F.R. Part 30, the JATC engages in an annual review to ensure that it is operating the apprenticeship program free from discrimination based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability. This review is a careful, thorough, and systematic review of all aspects of the apprenticeship program at the program industry and occupation level, including, but not limited to: Qualifications for apprenticeship; Application and selection procedures; wages; outreach and recruitment activities; advancement opportunities; promotions; work assignments; job

performance; rotations among all work processes of the occupation; disciplinary actions; handling of requests for reasonable accommodations; the program's accessibility to individuals with disabilities, including access to the use of information; and communication technologies.

Following this review, the JATC will include a description of its review as part of the Affirmative Action Plan in Appendix C. The updated report should be part of the AAP.
